

Solar Discount

for Members of
Cooperative Center
FEDERAL CREDIT UNION

Sun Light & Power offers a **\$.25/watt discount** off of the total cost of installing your custom solar system. Better than a flat rate discount, this per/watt discount **could translate up to 10% of costs** depending on the size of your system. Your system will pay for itself several times over, then delivers many years of clean energy at a minimal cost.

Why Solar? Because Solar Power Is....

- *Responsible*
- *Smart*
- *Clean*
- *Affordable*
- *Infinately Renewable*
- *Pollution-Free Fueled*
- *Abundant*
- *Empowering*
- *Everywhere*
- *Peaceful*
- *Excellent solar resource in CA*
