COOPERATIVE CENTER FEDERAL CREDIT UNION (CCFCU) SUPPORTS THE 9TH ANNUAL FRIENDS OF FAITH (FANCHER) 5K BREAST CANCER CHALLENGE

Berkeley, CA July 25, 2013: Cooperative Center Federal Credit Union (CCFCU) presented Friends of Faith, Inc. with a check for \$5,000 in conjunction with a special walk team drive event in effort to gain walkers for the credit union team. This year, CCFCU will be one of the sponsors for the 9th Annual Friends of Faith Breast Cancer Challenge, a 5K walk/run on August 17, 2013 around Lake Merritt in Oakland.

Friends of Faith, Inc. established the East Bay Breast Cancer Emergency Fund –the only program of its kinds that provides one-time direct cash grants to Bay Area, uninsured women undergoing treatment for breast cancer. The grants are designated for food, shelter, utilities, and medications and are administered by the Women’s Cancer Resource Center.

Employees of the credit union were joined by Friends of Faith founding board of directors/walk committee members, many of whom are local Bay Area TV & Radio personalities. Rosie Allen, KGO-810 AM, Barbara Rodgers, Comcast, Pam Moore, KRON-4 and Rita Williams, KTVU-Ch-2(ret).

When the day concluded, over 40 walkers signed up to participate in this year’s walk.
